

# Inclusive Content Filtering

Samantha Baltodano

A dark blue diagonal gradient bar that starts from the bottom left and extends towards the top right, covering the lower half of the slide.

# Agenda

- 1. Public scrutiny and potential growth areas**
- 2. Content filter for explicit and violent images**
- 3. Image classifications and workarounds**
- 4. An outsized impact, a happier community**

“Women are shamed for just being women, for being mothers... That’s not OK.”

– Heather Bays, Post

# Guilty By Verdict Of Public Opinion

Black Instagram users are 50% more likely than white users to have their accounts automatically disabled.

# Image Classes

# Final Classification Model Accuracy

# Content Filtering For A Better Tomorrow

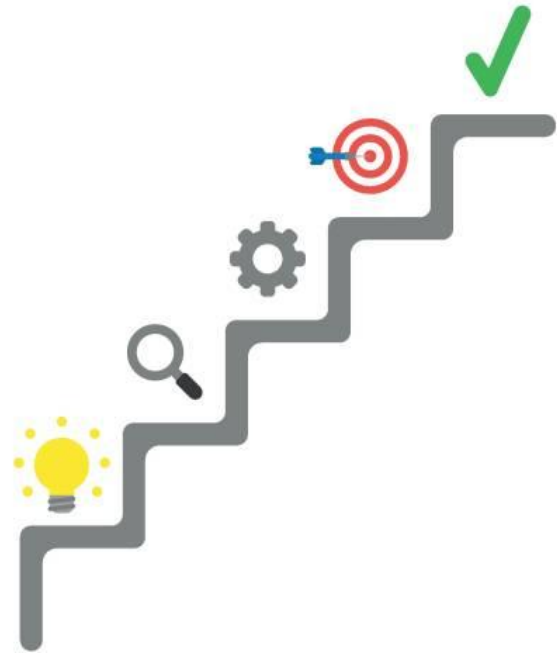

1. Explicit content filtering
2. Filtering equipped to prevent racial bias
3. #Freethenipple (just a little)
4. Continued success with violent content

# Recommendations

- Initiate change
  - Less rigid restrictions on breastfeeding photos
  - Child filters for sexy photos
  - Free the nipple responsibly
